### DETAILED ACTION

1. After an intensive search and thorough examination of the present application claims 1-35 are found to be in condition of allowance.
2. The following is an examiner's statement of reasons for allowance: prior art teaches communications systems, methods and suitable devices, including visitor location registers. However, the prior art does not suggest or teach visitor location registers connected to at least one voltage grid of a power line communications module, wherein user identifications are configured to be transferred to the at least VLR via the voltage grid.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
